Page 1: A survey of your organization's approach to meaningful adolescent and youth engagement

Q1

Please check the boxes below.

I understand that the data collected by this survey will be collated, stored and analysed in order to monitor and report on progress towards the commitments made in the Global Consensus Statement on Meaningful Adolescent and Youth Engagement.

,

I understand that responses to this survey will be published online (for the purpose of transparency) unless I send an official communication outlining the reasons why responses from my organization should not be published.

,

I understand that the survey's findings will be synthesized across all respondents and published as a summary report of collective progress and will not specifically name individuals or organizations without their prior written permission. The findings will be promoted through digital networks for the purpose of information sharing.

Page 2: Section 1 - General Information (one or two respondents per organization)

Q2
