Page 1: A survey of your organization's approach to meaningful adolescent and youth engagement

Q1

Please check the boxes below.

I understand that the data collected by this survey will be collated, stored and analysed in order to monitor and report on progress towards the commitments made in the Global Consensus Statement on Meaningful Adolescent and Youth Engagement.

,

I understand that responses to this survey will be published online (for the purpose of transparency) unless I send an official communication outlining the reasons why responses from my organization should not be published.

,

I understand that the survey's findings will be synthesized across all respondents and published as a summary report of collective progress and will not specifically name individuals or organizations without their prior written permission. The findings will be promoted through digital networks for the purpose of information sharing.

Page 2: Section 1 - General Information (one or two respondents per organization)

Q2

Organization name:

Q26

To what extent are young people represented in decision-making bodies within your organizational structure? [Principle 1; Checklist strategies 1, 2]

Fully: Young people are official members and there is balanced representation in decision-making bodies (e.g. board, steering committee)

Q27

Please briefly describe how young people are selected to participate in decision-making bodies.

our organization is youth focused and youth led so we have a bunch of youth volunteers to work with us in implementing programs. And we choose young leaders from local level who have the potentiality and leadership skills and provide them broader environment to flourish their knowledge. Through this our local, provincial and national level representations are dynamic youth group. and in line with that they are also participating regional and international events.

Page 12: Section 3 - Assessing progress on specific aspects of improving MAYE

Q28 Respondent skipped this question
