Page 1: A survey of your organization's approach to meaningful adolescent and youth engagement

Q1

Please check the boxes below.

I understand that the data collected by this survey will be collated, stored and analysed in order to monitor and report on progress towards the commitments made in the Global Consensus Statement on Meaningful Adolescent and Youth Engagement.

,

I understand that responses to this survey will be published online (for the purpose of transparency) unless I send an official communication outlining the reasons why responses from my organization should not be published.

,

I understand that the survey's findings will be synthesized across all respondents and published as a summary report of collective progress and will not specifically name individuals or organizations without their prior written permission. The findings will be promoted through digital networks for the purpose of information sharing.

Q12

Please describe how your organization is implementing MAYE (no more than 350 words). Where have you done well, and why? Where are you struggling most, and why?

Our organization is youth-led and youth-focused and most decisions on the organizations programs are taken by young people.

Most actions are also implemented by young people.

Q13   **Strongly Agree**

To what extent do you believe your organization's work reflects the definitions and principles of the Statement?

Q14

Where is your organization making the most progress? Provide an example.

In sexual and mental health programs, this is reflected in our SIMBIHealth program (a comprehensive sexual and mental health program) where young people are involved in the organization for all aspects of the progran including the development, design, advocacy, research and implementation of the program.
